Dear Kath,

Re Ironville Parish Council

I note a vacancy has arisen on the Council and I should like to be considered for co-option.

I already attend meetings as County Councillor but am unable to take a full part in discussions, initiatives and decisions as a 'visitor'. Membership of the Council would enable me to take a full part in proceedings, make a greater contribution overall and take a role in specific areas such as the highways committee.

I hold an MA in European Marketing and a BA (hons) in Public Administration. I enjoy supporting the development of others, team building and am comfortable in leadership roles.

My background is in sales and marketing and while living in the US I ended up a director of four non-profit organisations and President and CEO of an Heritage Railway from inception, recruiting directors, managers and volunteers and liaising and negotiating with all levels of government and media. I was a Borough Councillor in another area prior to moving to Amber Valley in 2012 and my interests include industrial heritage and the natural environment.

I believe Ironville with Codnor Park is a very special place and I am excited about the possibility of supporting the aims of the Council and the community as a whole.

Please do not hesitate to contact me should you require any further or more detailed information. I look forward to hearing from you.

Yours sincerely

Philip S. Rose
