##### **2) Lights for Trees by Church Notes from Paper to Council Meeting 16//2019**

The Xmas lights on the Church trees belong to the Church. It is historical that IPC fund. Jack advised that this year (2019/2020) the following upgrades are needed:

- 100 New bulbs (LED) for the church Xmas lights @ £2.50 each
- A new transformer
- New extension cables

In March 2019 the Council resolved to purchase 4 sets of 100 LED lights and transformers to be put on the trees near the church

Jack got quotes for 2 items:

- 1) 1 x Transformer c/w 4 extension cables 6m, 6m, 12m, 12m to assist with distribution of power to tree's + 100 x 5mm connectable LED lights as supplied last season/ Tree = 400 LEDs total. Price = £215 +vat (decision recorded)

2) To supply equipment to upgrade your current turbolite kit for your Christmas tree, as discussed, I have based our quote upon 100 x 24v LEDs being required c/w a 240-24v transformer with capacity to power the same. Price = £250 +vat. No Council decision for this – on agenda September 2019
