Hi Kath,

See attached map. Red area belongs to Futures and blue area to AVBC. If you mark on the map where the litter is I will see if our team can reach to remove it without cutting any shrubs down.

Best regards,

Dave.

Dave

John, our warden, has shared a concern about excessive litter on the recreation ground in Ironville. Can you advise if this is on the job list and if so how frequently it is litter picked

Kind Regards
